VOL. XXXVII.

STANFORD, KY., FRIDAY, OCTOBER 1, 1909.

NO. 62.

MIDDLEBURG.

Phillips Bros., of Stanford, are here putting in a cement dam for Quince Jones. Mr. Jones has been expecting them for some time, and had gotten quite impatient waiting for his "dam men," as he called them, but he is happy now and the work will be put in at once.

Mrs. Martha Fogle sold her household effects at public outcry Saturday. She has bought property at Danville, and is preparing to move to it. Mrs. Fogle is a good woman, and will be greatly missed in this section. Mrs. Julia Martin has bought the Greer farm near Liberty for \$300 and will move to it at once.

The trustees are highly pleased with the start the graded school has taken. The enrollment is now 140 and going up, the teachers are doing a high grade of work, and the patrons seem disposed to stand by them. There is every reason why this should be the best school in country, and will be if the people give it the support it so richly deserves.

The meeting of the Baptist church still continues. Rev. Fulton and wife left Monday for their home in Louisville, but Rev. Charles Martin pastor at Liberty is assisting the pastor. Everybody ought to have heard Rev. J. L. Owens at the Baptist church Sunday, his sermon was a gem, and he is being highly complimented on the effort. Bro. Owens seemed to be at his best, and the audience was large, and quite an appreciative one. Surely if there was any present who did not enjoy the discourse they were hard to please.

F. B. Lucas, of Arabia, Lincoln county, attended church here Sunday. Miss Lillie Triford and her little sister, Buelia, of Eubanks, are here to see Miss Salena Jones, and are attending the protracted meeting. Dallas Rule was here from Liberty Sunday. Mrs. Rando Brown, of Liberty, attended church here Sunday and took dinner with her cousin, Mrs. Ella Cowan. Miss Christa Jones, of Arabia, has been visiting relatives here for a week or more. Miss Minnie Shannon, of Junction City, is with her aunt, Mrs. J. A. Estes, on the Liberty pike. Mrs. Belle Lawhorn and G. P. Garner are in Louisville buying goods.

IN NEIGHBORING COUNTIES.

Miss Elizabeth Hawkins, of Elkin, Fayette county, committed suicide at Richmond by hanging herself to a bed post.

Ernest Hays was captured by a posse headed by Deputy Sheriff Bush in Madison. Hays, it is charged, shot and killed his brother-in-law, James Lane, several months ago.

Carlo Jones, deputy sheriff of Whiteley county, was shot at Corbin by Paris and William Shotwell. Paris Shotwell was recently pardoned by Gov. Willson. Jones was shot in the back and died instantly.

George and Thomas Roberts and Oscar Roberts, a cousin, became engaged in a difficulty at Williams Siding, in Pulaski county, when John McKee, a neighbor, attempted to stop the difficulty and was shot through the neck and instantly killed. The bullet after passing through McKee's neck struck George Roberts, landing near his heart. He is in a dangerous condition.

MUSIC AT THE LEXINGTON TROTS.—Music has always been a marked feature of the Lexington Trots. The management has always made it a point to give the audience a treat between the heats in the shape of concerts for which ordinarily people will gladly pay from \$1 to \$2 to hear. The famous Weber Prize Band of America will be at the trots again this year, and give daily concerts before the grand stand. The Weber Band is to-day, without exception, the best organization before the public. Its 1909 tour through the country, when it played in all the principal cities, including St. Louis, Chicago, Pittsburgh, Philadelphia, and the month of August in Atlantic City, has been a triumph. Blanche Berndt McHaffey, famous as the finest band singer in the United States, and a soprano of Grand Opera calibre, will appear daily and sing in connection with these concerts, as the principal soloist of the band. Remember the dates, Oct. 5-16, and don't miss a treat.

"Our engagement is broken," admitted the girl, "but I still have a tender feeling for him."

Is a candidate for Police Judge of Crab Orchard, subject to the action of the democratic party and asks your support.

In his letter to the Cincinnati Enquirer, Mr. John D. Wakefield called attention to the craze of distinguished Democrats for newspapers. Governor J. C. W. Beckham following the lead of William Jennings Bryan went into the business several months ago, having bought the State Journal. Senator Thomas A. Combs is president of the Lexington Gazette Company, ex-Auditor S. W. Hager has just bought the Owensboro Inquirer, while Mr. Henry B. Hines, ex-State Inspector and Examiner, and Edward O. Leigh, the private secretary of many Governors, have for sometime been making a great success of the Bowling Green Messenger. The disease is spreading so fast that the barber's call, "next," may soon be in order. There is a fascination about the newspaper business which attracts many a man who afterwards finds it is easier to get it than to get out.

THAT the late lamented Governor of Minnesota, John A. Johnson, should have only accumulated some thirty-odd thousand dollars in his life causes some surprise as that sum of money in these days of high finance is regarded as a measly amount. To those, though, who know the scrupulous honesty and the high personal integrity of the man and the many demands upon him the surprise is that he was able to save as much as he did.

THERE is possibly no one thing that can interest mankind more than the war against the ravages of tuberculosis, and the faithful lovers of their kind who are engaged in the noble work are worthy of praise. Consumption is man's greatest foe, and when its fearful toll of human lives can be stayed by proper methods it is worse than a crime for the State or community to withhold the means for doing so.

It is reported that Governor Willson has accumulated 50 or more important subjects to be treated on and recommended in his next message to the Legislature. As the Governor rarely ever uses a sentence less than 100 words long and as he treats every subject with prolixity there is going to be lots of reading for the long winter nights for those who care to wade through that class of literature.

THE duty having been taken off of art, paintings valued at millions of dollars have been purchased abroad for free transportation into this country. The large valuation can now be made with impunity. It would be very small if duty had to be paid at the rate of valuation.

ANOTHER republican has gone wrong and some of "Uncle Sam's" good boodle is with him. M. P. McCoy, examiner and supervisor of government surveys, was found short over \$5,000 and he will spend the next three years in McNeil's Island Federal prison.

THE Mississippi legislator who has become a Pullman car porter is simply following the natural evolution of his class. His thirst for graft must be slaked in some way.

We want to call on every democrat in Lincoln county to put his shoulder to the wheel and help roll up a rousing democratic majority in Lincoln county on Nov. 2nd. The republicans are active, going both day and night and leaving no stone unturned, with the hope of occupying the new court house after Jan. 1st. Let not that beautiful building be filled with machine-made republicans, but see to it that every democrat on the ticket is elected. The democrats of Lincoln county pay 90 per cent. of the taxes, then why shouldn't they be allowed to govern the people?

A VINCENNES, IND., lawyer spent his vacation playing farm hand at \$20 per month. The third day he fell on a corn stalk and was so badly hurt that he will likely die. Should he recover he will banish the thought of farming next year when the "corn is in the shock and the pumpkin is on the vine."

THEY marry in haste and repent at leisure down in "Sunny Georgia." The judge of the Fulton county Superior court at Atlanta handed down 14 divorces in less than six hours, or one every 23 minutes. The oldest couple had been married five years and the youngest a month exactly.

FROM this distance it looks as if Commander Peary is better at quarreling than discovering the North Pole. His interviews with Dr. Cook's finding the cold old thing would put a 50-year-old man to shame.

IN order to raise republican campaign funds post-offices all over Kentucky are being robbed. It is a common every day occurrence now to read of one being looted.

POLITICAL.

Former Congressman William R. Morrison died at Waterloo, Illinois.

Wm. H. Mount, a brother of Ex-Gov. Mount, and said to be related to Mr. James R. Mount, at Lancaster, is dead at Crawfordsville, Ind.

Gov. Willson appointed R. H. White, of Mt. Sterling, as a member of the Kentucky State Board of Pharmacy to succeed Addison Dimmitt, of Louisville.

It begins to look like Louisville will be redeemed from republicanism and that W. O. Head, the democratic nominee for mayor, will defeat Grinstead, the present mayor.

A joint debate on the tariff, in which each will defend his own views of the proper position for the Democratic party to take, has been arranged between William Jennings Bryan and Senator Joseph Bailey, of Texas. The debate will be held some time during October at Atlanta.

In a speech on the conservation of natural resources delivered at Spokane, Wash., President Taft declared that he would ask Congress to authorize the issuance of \$10,000,000 in bonds to complete irrigation projects already begun in the West and on which work has been stopped for lack of funds.

In spite of the Louisville Board of Public Safety's promise to give a public hearing to the complaints of the Mutual Protective Association that "blind tigers" were being permitted to run without police interference, that body backed down when the time for the hearing arrived. The association was at the appointed place and offered to have its witnesses testify under oath, but the board thought it inadvisable at this time—just before an election—to have a public hearing.

CHURCH MATTERS.

Rev. L. H. Blanton, of Danville, will preach at the Presbyterian church next Sunday morning.

Rev. J. J. Dickey, the new pastor, will occupy the pulpit of the Methodist church here next Sunday morning and night.

Rev. B. C. Horton, brother of Mrs. R. L. White and J. D. Horton, was sent by the Methodist Conference to Mt. Sterling from Fort Thomas.

Rev. T. W. Barker was sent to Warsaw by Conference which sent Rev. J. J. Dickey, recently of Perryville, to the pastorate of the Methodist church here. Much regret is expressed over Conference's failure to return Rev. Barker to Stanford.

There can be no real happiness to one who has not made his peace with God. Back of all his pleasures is the darkness of God's displeasure. He may forget it for a time, but the remembrance returns and turns his happiness to disappointment.—Western Recorder.

Special attention is called to the Pioneer Service at the Christian church Sunday Oct. 3, 10:45 A. M. Seats will be reserved for all who have been members of the church for over 30 years. Bro. Ballou will make a short talk, the minister will deliver a sermon appropriate to the occasion, and honorable mention will be made of our blessed dead. The old songs will be sung and everything done to make it as much like an old fashioned service as possible. All disciples of Lincoln county are invited and especially the elderly people. A cordial invitation to the public. D. M. Walker.

At Riverhead, L. I., the death of one man and the serious injury of another caused by the upsetting of a 60-horse power machine going at the rate of 65 miles an hour marred the Long Island automobile derby.

DOCK PADGETT, who is charged with the murder of Green Skidmore, near Kings Mountain, was on trial yesterday before Judge Owsley when we went to press.

REMEMBER nearly all the goods for sale by Rev. T. W. Barker to-morrow are almost new. Everything goes to the highest bidder. Here is a good chance for a bargain.

WHAT has become of your nomination for jailer, Mr. Terry, you told us to tell the people you would get last Monday? Has the machine give you a little sweet chin music to ease your anti-pain you had?

CAPT. WM. HERNDON must have as many lives as a cat, for he certainly is not aware of the fact that he is dead politically, but his republican brethren seem to think so from the action of the well-greased machine that ran over him here last week. They wanted to bury him first, without even an appropriate ceremony over the grave of an old liner, before Judge Sausley put the finishing touches on him. It is said he has petitions in circulation in the four counties to get his name under the republican emblem since the machine committee "turned him down." What our splendid Judge Sausley will do for him will be a plenty.

MATRIMONIAL.

James Bunch, 20, and Miss Cinda Bunch, 20, were married at Highland Wednesday.

CAPLINGER-BARKER.—On last Tuesday morning at the residence of Mr. W. M. Hagen, at Augusta, Ky., Rev. T. W. Barker, of this place, and Mrs. Linnie Caplinger, of Louisville, were joined in wedlock's holy bonds by Rev. B. F. Chatham, of Maysville, an intimate friend of the groom. Mrs. Barker was visiting in Augusta at the time of her marriage to the man of her choice. It is said she is a lady of many accomplishments, while the groom is one of the leading Methodist divines in the State and has made many friends during his ministry here. Their many friends wish them all the happiness and joy that this world can bring to them.
